Newsletter

October to December 2023

Dear Friends,

Warm Greetings from the Veerni Project!

This quarter, the Veerni Institute organized its annual sports day and a cultural event, which were accompanied by an excursion that the girls thoroughly enjoyed. The event was made even more special by the presence of some Veerni graduates who were invited to inspire and motivate their fellow Veerni girls. In addition to the routine educational activities, these events provided an opportunity for the girls to showcase their talents and bond with each other.

Distinguished guests graced us with their presence, witnessing firsthand the transformative activities at the Veerni Institute and Veerni Balika. Village visits, facilitated by the Veerni staff, strengthened our connections with the local community.

Veerni's fundraising efforts took center stage with remarkable events organized by dedicated individuals. Ms. Sophie Fauchier and Sita Schutt – a board member of Fondation Veerni, led a marathon in Venice, while Ms. Marina and Tish arranged a marathon event in Australia, adding vibrant colors to our cause.

Also in this quarter, Mr. Mahendra Sharma, Director of Veerni Sansthan, visited Europe to strengthen ties between Fondation Veerni and its donors. During his visit, he provided comprehensive insights into the daily operations of Veerni Sansthan, participated in the Venice Marathon, and met with the board members of Fondation Veerni in Switzerland. He also met with Ms. Donatella Pascolini, president of Fotis – Giving Children Hope Through Education, and two committee members Ms. Vivien Hollis and Ms. Pamela Gromadzki to discuss the operation of the Veerni Institute and Veerni Balika. The visit was successful overall.

In this edition of the newsletter, we are excited to share highlights and updates from the Veerni Project, covering the period from October 2023 to December 2023

Australian Fundraiser:

40 friends came together on October 28th at Tish's home in Avalon, north of Sydney to celebrate Indian culture and raise money for the Veerni Fondation.

This included a group of nine friends who will be visiting Veerni in early March and are greatly looking forward to meeting Veerni's staff and of course the girls. This group, all keen cooks, provided a wonderful selection of Indian dishes. Lamb Korma, Butter Chicken, vegetable curry, Beef Vindaloo, dahl, and samosas, all served with delicious chutneys and side dishes.

Guests could also try their hand at block printing, mehndi and rangoli art. A short video of the Veerni Institute was shown and Marina and Tish both spoke about their experience of visiting Veerni, meeting founder Madame Jacqueline de Chollet, the wonderful director Mahendra Sharma and the inspiring young women who are Veerni.

This connection with the school is a result of a chance meeting and a conversation over coffee in Pushkar one morning in November 2022 with Sophie Fauchier. One of those serendipitous, 'sliding door' moments that can lead to wonderful opportunities.

The evening raised AUS\$2,300, with donations coming in from friends who couldn't attend on the night but were also inspired by the story and work of Veerni in empowering young women in Rajasthan.
